## COMPANY OVERVIEW

Secure Mount designs and manufactures medical cable management and loss-prevention products for hospitals and health systems. The company began in 2004, when a Jackson, Michigan hospital asked for help preventing the loss of and damage to sensor probes on its patient monitors. Secure Mount manufactures the vast majority of its products from high-grade anodized aluminum with stainless steel fasteners, so they are easy to clean and disinfect and built to last.

## CORE COMPETENCIES

- ◆ Patented medical cable tethers: standard, heavy-duty, coiled and color-coded
- ◆ Loss prevention for ECG leads, SpO2 sensors, suction, flow meters and air hoses
- ◆ Cable holders, cord locks and cord management pole and track systems
- ◆ Pole clamps, track plates, mounting pads, med vial holders and a 6-port IV pole power strip
- ◆ Stainless steel wire baskets and endoscope hangers
- ◆ Custom designs developed with clinical, biomed and facilities teams

## DIFFERENTIATORS

- ◆ **Made in USA, Jackson, Michigan**
- ◆ Proprietary, patented security design
- ◆ Recessed stainless steel screw design for added security
- ◆ Cable locks prevent unintended removal
- ◆ Reduces spending on replacing missing or misplaced cables and sensors
- ◆ Organized cables support cleaning and disinfection
- ◆ Reduces cord clutter and the risk of work-related accidents
- ◆ Online cost savings (ROI) calculator at [securemount.com](http://securemount.com)

**Top 5 returning customers:** Henry Ford Hospital · UC Irvine Medical Center · Harbor UCLA Medical Center · Bethesda North Hospital · Hoag Hospital

*"We had an 80% reduction in calls for missing cables on the units that we sampled these in."*

**Hospital customer**

*"The investment of around \$60.00 one-time per monitor has saved us thousands of dollars in lost or misplaced cables."*

**Michael R. Lovelace, RN, University of Alabama at Birmingham Emergency Department**
